

Promotion Description

Remote Call Forwarding (RCF) Promotion

Overview

The Remote Call Forwarding (RCF) Promotion is scheduled to begin on 01/01/2009 and end on 8/31/2009. The RCF Promotion (the "Program") will offer discounts on the subscriber's bill. The offer is only available to new AT&T South Carolina business subscribers requiring RCF to maintain their local exchange business number(s) or existing AT&T South Carolina business subscribers who are moving within their local area and are required to change their business telephone number(s).

Promotion Specifics

Qualified business subscribers will receive the fixed monthly portion of RCF service for the equivalent of \$5.00 per month per RCF feature arranged for a maximum period of twelve (12) months. The subscriber will be billed the current applicable fixed monthly RCF rate (e.g. as specified in AT&T South Carolina's tariff and provided monthly bill credits calculated to provide for an equivalent RCF fixed monthly rate of \$5.00. Any normally applicable usage charges associated with RCF will be applied and will not be subject to a discount. The discount will appear as a credit in the Rewards and Discounts section of the subscriber's bill. After twelve (12) months, the monthly bill credits associated with this promotion will be discontinued and the RCF service will be billed at the current tariff monthly rate.

A maximum of ten (10) RCF features (initial/additional) per billing account can participate in the Program. During the period of this promotion, normally applicable service charges found in Section A4 of the GSST (i.e. Secondary Service Charge) associated with the initial or subsequent installation of RCF features (participating in the Program) will be waived.

Promotion Restrictions/Eligibility Requirements

AT&T South Carolina reserves the right to modify or to terminate this Program at any time following notice to the Commission.
